

My name is Terry Hathaway. I am a retired teacher of S.D. #27. I have collected hundreds of children's books for ages 0-18. You may have seen the article in the newspaper about my Book Drive. I would like to give books to families that were affected by the wildfires. This is an opportunity for these families to come choose books to start a new Family Home Library.

I was hoping the School District could help me get this information out to the families that lost their family home in the wildfires this past summer. If you could share this information with all your school principals to let families know they can contact me personally. When a family contacts me I will schedule a meeting time with the family to come the Youth for Christ building on 3rd Ave. and Cameron Street. The families will shop for free books. The books are in good condition and some are brand new.

My contact info is below. If you have any questions please contact me.

Thank you,

Terry Hathaway
